  - (b) When a committee desires that a witness produce documents or records relevant to the committee’s inquiry, the witness shall be invited to do so. Whether or not an invitation to produce documents or records has previously been made, an order that documents or records be produced shall be made only when the committee has made a decision that the circumstances warrant such an order.
  - (c) A witness shall be given notice of a meeting at which he or she is to appear, and shall be supplied with a copy of the committee’s terms of reference, an indication of the matters expected to be dealt with during the appearance and a copy of this resolution or a summary of its

- (g) Before giving any evidence *in camera* a witness shall be informed that it is within the power of the committee to publish or present to the House all or part of that evidence, and that the House has the authority to order the production and publication of undisclosed evidence. Should the committee decide to publish or present to the House all or part of the evidence taken *in camera*, the witness shall be advised in advance of the publication. A member, in a protest or dissent added to a report, shall not disclose evidence taken *in camera* unless so authorised by the committee.

  - (n) Witnesses shall be treated with respect and dignity at all times.
  - (o) Reasonable opportunity shall be afforded to witnesses to request corrections in the transcript of their evidence and to put before a committee additional written material supplementary to their evidence. Witnesses may also request the opportunity to give further oral evidence.

Where the committee considers that the facts disclose that a person may have been improperly influenced or subjected to or threatened with penalty or injury in respect of evidence which may be or has been given before the committee, the committee shall report the facts and its conclusions to the House.

\*2501 **MR RIPOLL:** To ask the Minister for Defence—

- (1) Is 501 Wing RAAF Base Amberley being moved to RAAF Base Williamstown; if so, what are the details of timings and personnel changes involved at RAAF Base Amberley.
- (2) Is there a proposal to reduce the number of Air Commodores at RAAF Base Amberley from two to one.

- (3) What is the reason for the change in RAAF Base Amberley commanding officer structure.
- (4) What effect will a change in commanding officer structure at RAAF Base Amberley have on the operations of the base and its ability to liaise with the community and provide a public face to the operations of the base.

\*2502 **MR RIPOLL:** To ask the Minister for Defence—

- (1) Prior to Government decisions based on the recent Defence White Paper, did Project Wedgetail Airborne Early Warning and Control (AEW&C) involve an agreement and understanding that Australia would purchase 7 Boeing 737s, 2 of which were to be assembled in Seattle, USA, as prototypes and the remaining 5 aircraft were to be assembled in Australia, in particular at RAAF Base Amberley.
- (2) Can he confirm the exact number and timing of the Boeing 737s to be assembled, the place of assembly and scope for change to any contractual agreement with Boeing in relation to the AEW&C project.
- (3) What commitment can he give in relation to his statement in letters to the editor of the *Queensland Times* on Saturday, 24 March 2001 that the number of aircraft can be varied and that no decision has to be made up to and including 2003.
- (4) If he is committed to the possibility of increasing the number of aircraft from 4 at present to any other number in the future, can he give details of the actual number and the timing of delivery.
- (5) Are there contractual arrangements with Boeing to accommodate the assembly of the AEW&C 737's in Australia should the Government decide to purchase 7 aircraft as originally indicated.
- (6) Is he aware of the impact reducing the number of AEW&C 737's purchased by Australia will have on the Australian Defence Industry; if so, how will he compensate the Australian Defence Industry for the loss of potential technology and employment development.
- (7) Will the downsizing of Project Wedgetail from 7 AEW&C aircraft reduce the capacity of the AEW&C system as a recognised defence strategy of Australia's national security.

\*2503 **MR KERR:** To ask the Minister representing the Minister for Justice and Customs—Have any buildings owned by the Australian Customs Service (ACS) been sold during 2000-2001; if so, will the Minister provide details of (a) the location of any buildings which have been sold, (b) any valuations of market value which were obtained prior to sale, (c) the sale price and (d) if the property was subsequently leased back by the ACS, the details of the subsequent lease agreement.

\*2504 **MR MURPHY:** To ask the Minister for Transport and Regional Services—

- (1) Will the proposed amendments to the Slots System foreshadowed in the amendments to the Sydney Airport Demand Management Act result in amendments to the Airspace Management Plan; if so, will consequential amendments to the Airspace Management Plan (AMP) constitute an action as prescribed in the Environment Protection and Biodiversity Conservation Act (EPBA Act).

- (2) Does an amendment to the AMP trigger the provisions of subsection 160(2) of the EPBA Act; if so, must the proposed amendments to the Slots Management Scheme 1998 (SMS) be brought to the attention of the Minister for the Environment for environmental assessment.
- (3) Does the precautionary principle apply to the amendments of the SMS.
- (4) Will the act of amending the SMS constitute severe and irreversible environmental harm to the residents of Sydney through increased aircraft noise and fundamental compromising of air movement safety.
- (5) In the act of amending the SMS, ought not the lack of full scientific certainty of irreversible environmental harm be used to postpone measures to mitigate against the harm, thus applying the precautionary principle.
