- (3) In view of the need for some charitable entities like the Breast Cancer Action Group NSW to undertake advocacy on behalf of their clients, is he prepared to recommend to the Government that amendments to the ITA Act should be made to ensure that such advocacy activities should not be a disqualifying criterion for Deductibility Gift Recipient Status; if not, why not.
- (4) Does the St Vincent de Paul Society enjoy Deductible Gift Recipient Status; if so, is the Society precluded from engaging in any form of advocacy on behalf of the people it assists; if so, why; if not, why not.

40 MR MURPHY: To ask the Treasurer—

- (1) Has his attention been drawn to a report in *The Age* newspaper on 26 June 2001 titled "Tax experts declare: we are confused".
- (2) Has his attention been drawn to the comment in that report by the Tax Agents' Association President, Ray Regan that (a) this year's Taxpack has confused even the experts and (b) the Government's tax reforms had complicated the system so much that tax agents' fees would increase by 50 to 100 % this year.
- (3) Has his attention also been drawn to a similar report in *The Canberra Times* on 26 June 2001 titled "Post-GST Taxpack too complicated: expert".
- (4) What action is he taking to make it easier for tax agents and taxpayers to better understand this year's Taxpack.

41 MR MURPHY: To ask the Treasurer—

- (1) Does subsection 262A(4) of the Income Tax Assessment Act require each person who is liable to pay income tax to retain their taxation records for a period of five years from the latter of the date on which the records were originally prepared or obtained, or the date on which the transactions or acts to which those records relate were completed.
- (2) Does section 70 of the Taxation Administration Act prescribe the keeping of records of indirect tax transactions for at least five years after the completing of the transactions or acts to which they relate, including the goods and services tax (GST).
- (3) Is he aware that, in light of the Government's amendments to the taxation law and in particular the introduction of the goods and services tax, the volume of records required to be kept under the

- provisions of these Acts will increase significantly by imposing a substantial storage cost on individual taxpayers by virtue of the Acts' record retention provisions.
- (4) In light of the increased personal financial burden of document storage costs on individual taxpayers through the introduction of the GST, will be amend the retention provisions of both Acts to reduce the retention periods from five years to three years; if not, why not

47 MR MURPHY: To ask the Treasurer—

- (1) Has his attention been drawn to a media release from the Productivity Commission, dated 24 August 2001, titled "Price Regulation of Airport Services" in which the Productivity Commission recommends as its preferred option a five-year period of price and conduct monitoring for Sydney Airport, with no direct control over that period.
- (2) If so, (a) upon what policy basis is this recommendation based, (b) upon what policy basis and instruments is the existing regulatory regime of price caps and regulation founded, (c) will he table copies of these policy instruments in the House and (d) will he table the policy reasoning that has led to the recommendation by the Commission that a monitoring regime be initiated.
- (3) Further to the media release and an article at page 56 in the *Australian Financial Review* of 25-26 August 2001 concerning the Australian Competition and Consumer Commission's (ACCC) overall

- (5) What impact will the ACCC's decision to increase aeronautical charges by 97% have on the second till non-aeronautical tenants, including shop owners, parking station owners and restaurants at Sydney Airport.
- (6) Will the 97% increase in aeronautical charges decrease turnover for the non-aeronautical tenants at Sydney Airport due to increased airfares and other charges thus economically pricing out prospective consumers of Sydney Airport services.
- (7) Will the new two-till system enable the prospective bidders for Sydney Airport's airport lease to increase non-aeronautical tenants' rents, thus decreasing profitability for those non-aeronautical tenants at Sydney Airport.
- (8) Will he provide case references for the court actions referred to in the *Australian Financial Review* article.
- (9) Are the terms of settlement between the parties in the litigation matters in the public interest and should be disclosed.

- (23) Did he contemplate in 1997 the sale of Sydney Airport by transfer of the airport lease from Sydney Airport Corporation to a private person; if so, at the time of making his prices surveillance regulation that currently regulates Sydney Airport, did he know that the airport would be leased to a private entity or corporate person who is not the current lessee.

- problems through the full introduction of the Long Term Operating Plan (LTOP) and the completion of a genuine environmental impact statement (EIS) for Sydney West Airport and the construction of that airport.
- (26) Does paragraph 8(1)(b) of the Productivity Commission Act state that a general policy guideline of the Commission is to reduce regulation of industry, including regulation by the States, Territories and local government, where this is consistent with the social and economic goals of the Commonwealth Government.
- (27) Is he able to say whether the LTOP is a Ministerial Direction issued by power given to the Minister for Transport and Regional Services under section 16 of the Air Services Act.

- (31) Is it reasonable for the Commission to consider these goals when considering the terms of reference to the Price Regulation of Airport Services at Sydney Airport; if not, why not, given paragraph 8(1)(b) of the Productivity Commission Act.
- (32) Can price regulation be used to administer environmental control of Sydney Airport in meeting the Government's social and economic goals and fulfilling the LTOP.

- (35) Is he able to say whether, by virtue of membership of the SACF, members of the SACF constitute part of a statutory committee established under the auspice of the Commonwealth Department of Transport and Regional Services and as such, constitute a formal element of the public interest process of community consultation as established by the Minister for Transport and Regional Services.
- (36) In fulfilling its obligations under section 8 of the Productivity Commission Act, must the Commission consider environmental and ecological constraints as part of the Act's general policy guidelines; if not, why not.
- (37) Will he notify the Productivity Commissioner in writing under the powers given him pursuant to subsection 8(2) that the (a) full implementation of the LTOP and (b) construction of Sydney West Airport before the sale of Sydney Airport as a strategic solution to solving Sydney Airport's aircraft noise problems, are matters going to the operation of paragraph 8(1)(b) as a social and economic goal of the Commonwealth Government and need to be considered as part of the Commission's terms of reference in respect to the draft report on Price Regulation of Airport Services; if not, why not.
- (38) Is the Commission's scope of inquiry into Price Regulation of Airport Services narrow as it has not been directed to report on whether relevant Government social, economic and other goals are adversely affected, compromised or negated; if not, why not.
- (39) Is the Commission's direction of recommendations flawed in that the Commission is not being called upon to identify relevant issues going to social and economic goals.
