- (2) Why has the ABA decided not to allocate this licence.
- (3) Is he aware that the ABA has also refused to allocate licences following equally lengthy community tendering processes for Wollongong, Lithgow and Cootamundra in New South Wales.
- (4) What reasons has the ABA given the Minister for publicly calling on community organisations to bid for such licences at considerable expense, only to refuse to allocate the licences on four separate occasions.
- (5) What steps is the Minister taking to ensure that the applicants for broadcasting licences are not exposed to lengthy bidding processes that result in no decision to award a licence being made.

*1966 **MR MURPHY:** To ask the Minister for Transport and Regional Services—

- (3) With respect to Recommendation 1 of the Senate report, has the *Airports Act 1996* been amended to include an object and purpose statement for airport master plans; if so, when, if not, why not.

- (7) What action is the SACL taking to conduct more open consultation with affected groups, including community groups; if no action has or is being taken, why not.
- (8) With respect to Recommendation 6 of the Senate report, has the *Airports Act 1996* been amended to place a responsibility on airports to disclose to the public draft flight path information prepared by AirServices Australia as part of draft master plans; if so when, if not, why not.
- (9) Did he direct the SACL to investigate different community consultation models in order to identify the various ways in which more effective community consultation can be conducted; if so, when did you issue that direction; if not, why not.
- (10) With respect to Recommendation 8 of the Senate report, have the dual roles of AirServices Australia as government adviser and external consultant been critically examined to determine whether there is a potential for conflict of interest; if so, when was that critical examination undertaken and will he table this examination in the House; if no examination has been undertaken, why not.
- (11) Why is the administrative process governing the drafting of the master plan for Sydney Airport essentially the same flawed process criticised in the Senate report as that which governed the drafting of Brisbane Airport's master plan.
- (12) What action is he taking to avoid the same flaws occurring in the drafting of the master plan for Sydney Airport; if no action is being taken, why not.
