PRIVATE MEMBERS' BUSINESS

Notices

†1 **MR HUNT:** To move—That this House:

- (1) supports the wider spread, across every category of company and to all their employees, of substantial employee share ownership exercised through the agency of Employee Share Ownership Plans (ESOPs);
- (2) notes that the existing legislative and regulatory regime inhibits the spread of employee ownership especially to unlisted and private companies chiefly on account of the failure of Corporations Law to provide a disclosure regime proper to ESOPs;
- (3) notes that those employees who do benefit from ESOPs are actively discouraged from developing substantial holdings in the employers' companies by tax provisions which favour token employee ownership (through a tax exempt share plan) over the acquisitions of larger share holding (through a tax deferred share plan);
- (4) acknowledges that properly designed ESOPs provide, importantly, a mechanism by means of which employees become co-owners of the businesses for which they work and, thereby, more deeply engaged in, and committed to, the free enterprise system of wealth creation and distribution;
- (5) acknowledges that ESOPs also provide an important pre-retirement savings vehicle through which families and individuals can save for obligations which arise prior to their retirement;
- (6) recognises that ESOPs belong to a spectrum of pre-retirement savings vehicles so far undeveloped in Australia yet urgently called for by national demographic and social realities;
- (7) calls for targeted reforms of tax and corporate law to ensure that ESOPs can easily spread to all employees in all companies and provide these employees with a mechanism capable of delivering them substantial (rather than token) ownership of the companies in which they work;
- (8) calls for the development of practical regulations to ensure adequate disclosure and investor protection measures for all ESOPs;

- (9) calls for the introduction of a new pre-retirement savings vehicle modelled on the United Kingdom *Individual Savings Account* to provide a comparable means of making medium-term savings for those employees who cannot benefit from an ESOP. (*Notice given 12 February 2004. Time allowed—remaining private Members' business time prior to 1.45 p.m.*)
- †2 **MR P. E. KING:** To move—That this House:
- (1) calls on the Leader of the Opposition to renegotiate the lease in relation to Centenary House; and
 - (2) calls on the Australian Labor Party to return to the Australian people the moneys paid in respect of rent income on Centenary House over and above the market rate since 1993. (*Notice given 12 February 2004. Time allowed—30 minutes.*)
- †3 **MR MOSSFELD:** To move—That this House:
- (1) notes that on 5 March 1804 the Battle of Vinegar Hill took place at what is today known as Rouse Hill, New South Wales;
 - (2) notes that some 200 mainly Irish convicts, led by Phillip Cunningham, took part in Australia's first known armed rebellion against authorities, largely over the treatment of Irish convicts in both Britain and the colonies;
 - (3) notes that next year marks the 200th anniversary of this battle;
 - (4) notes that a steering committee of 5 Western Sydney Councils has been formed to stage a re-enactment and associated celebrations;
 - (5) recognises that this Battle is a significant chapter in Australia's early convict history;
 - (6) recognises that the Battle and its outcome helped shape the Australian character; and therefore:
 - (7) urges the Government to provide whatever additional assistance is necessary to ensure a successful re-enactment of this historic battle; and
 - (8) calls on the Government to commemorate this significant event by issuing a commemorative coin and stamp. (*Notice given 26 November 2003. Time allowed—remaining private Members' business time.*)
