 - (1) notes that in 1995 the NSW Government handed over 118km of substandard roads to Dungog Shire Council, without financial support to maintain, fix or repair those extra roads;
 - (2) notes that this was an unrealistic shift in responsibilities, particularly for a small council that does not have the revenue or population to maintain this length of road on top of its existing responsibilities;

- (1) opposes the recent the majority report by Government members of the Joint Standing Committee on Treaties that recommends against ratification of the Optional Protocol to the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment;

 - (a) the existence of immigration detention centres in Australia and in the Pacific region that imprison over 1,000 men, women and children; and
 - (b) the acquiescence by the Australian Government to the indefinite detention of David Hicks and Mamdouh Habib at Guantanamo Bay by the United States of America; and

- (4) calls on the Australian Government to ratify this protocol immediately. (*Notice given 25 March 2004*. *Notice will be removed from the Notice Paper unless called on on any of the next 5 sitting Mondays after 21 June 2004*.)

- (6) Did those conversations at any point carry the implication that one or both parties were aware that neither videos, photos or witness statements provided evidence that children were thrown overboard because none, in fact, had been.
- (7) In his conversations with Mr Scrafton, was any mention made of the photos of the alleged incident previously released by the Government being not in fact photos of children who had been thrown into the water on 7 October 2001.

- (19) Did any talking points received by him from his staff, the Department of Defence, or his Department mention the SIEV4 incident; if so, what was the content of that reference.
- (20) On 7 November 2001, or at any time afterwards, did Mr Jordana inform him of advice that he had received from Ms Jane Halton regarding doubt the Department had that the photos received, and made public, of the SIEV4 incident verified that children had been thrown overboard.

- (21) On how many occasions (a) prior to and (b) after 10 November 2001 did he discuss with Ms Halton the children overboard incident and in relation to each discussion, what were the dates of their discussions and what advice did Ms Halton provide to him.

- (5) Will he now arrange for the release of the audit report through the Queensland Division of the Liberal Party.
- (6) Has his attention been drawn to the former Liberal Party Director's media release issued the day he announced his new Ministry which revealed that the ATO had applied a GST bill to the Liberal Party of \$13,000 on transfers of funds within the Party and sponsorships; if so, is he able to say whether the \$13,000 bill means the Liberal Party sought to avoid paying GST on \$130,000 in GST.
- (7) Does he stand by his claim of 28 August 2001 that the under-payment of GST was only \$180 and that it was an honest mistake.
