- 4 **MR BALDWIN:** To move—That this House:
- (1) notes that in 1995 the NSW Government handed over 118km of substandard roads to Dungog Shire Council, without financial support to maintain, fix or repair those extra roads;
 - (2) notes that this was an unrealistic shift in responsibilities, particularly for a small council that does not have the revenue or population to maintain this length of road on top of its existing responsibilities;
 - (3) recognises that this shift resulted in Dungog Council having financial responsibility for the maintenance of roads that have a total length longer than the combined responsibilities of regional roads in Newcastle, Maitland and Lake Macquarie shires;
 - (4) condemns the NSW Government for failing to properly compensate the council for this extra burden in road funding for almost nine years, which has resulted in Dungog Council going into a downward spiral in maintenance;
 - (5) recognises the importance of Commonwealth Government programs such as Roads to Recovery, Blackspot Road Funding and Financial Assistance Grants, which provide direct funding to councils; and

 - (3) the Government has consistently failed to heed the advice of the Winemakers' Federation of Australia of the threat the Wine Equalisation Tax poses to small wineries; and
 - (4) the Government has ignored the comments of its own Trebeck report into improving the viability of small wineries by failing to address the problems small wineries are experiencing with the Wine Equalisation Tax. - (1) opposes the recent the majority report by Government members of the Joint Standing Committee on Treaties that recommends against ratification of the Optional Protocol to the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment;

 - (a) the existence of immigration detention centres in Australia and in the Pacific region that imprison over 1,000 men, women and children; and
 - (b) the acquiescence by the Australian Government to the indefinite detention of David Hicks and Mamdouh Habib at Guantanamo Bay by the United States of America; and
- (3) expresses concern that not ratifying this protocol would obviate a system of regular visits to be undertaken by independent international and national bodies to places of detention in order to monitor conditions and ensure that torture and other cruel, inhuman or degrading treatment or punishment is not used; and
- (4) calls on the Australian Government to ratify this protocol immediately. (*Notice given 25 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 9 August 2004.*)

 - (b) resolves to condemn all manifestations of anti-Semitism in Australia as a threat to the freedoms that all citizens should enjoy equally in a democratic society and commits the Parliament to take all possible concrete actions at a national level to combat this threat to our peaceful and diverse nation; and
 - (c) further resolves to encourage Australian ambassadors and other officials engaged in bilateral contacts with other countries to use their influence to oppose and counter anti-Semitic expressions and to promote all possible efforts at fostering tolerance and community harmony.  - (2) notes that the existing legislative and regulatory regime inhibits the spread of employee ownership especially to unlisted and private companies chiefly on account of the failure of Corporations Law to provide a disclosure regime proper to ESOPs;
 - (3) notes that those employees who do benefit from ESOPs are actively discouraged from developing substantial holdings in the employers' companies by tax provisions which favour token employee ownership (through a tax exempt share plan) over the acquisitions of larger share holding (through a tax deferred share plan);
 - (4) acknowledges that properly designed ESOPs provide, importantly, a mechanism by means of which employees become co-owners of the businesses for which they work and, thereby, more deeply engaged in, and committed to, the free enterprise system of wealth creation and distribution;
 - (5) acknowledges that ESOPs also provide an important pre-retirement savings vehicle through which families and individuals can save for obligations which arise prior to their retirement;
 - (6) recognises that ESOPs belong to a spectrum of pre-retirement savings vehicles so far undeveloped in Australia yet urgently called for by national demographic and social realities;
 - (7) calls for targeted reforms of tax and corporate law to ensure that ESOPs can easily spread to all employees in all companies and provide these employees with a mechanism capable of delivering them substantial (rather than token) ownership of the companies in which they work;
 - (8) calls for the development of practical regulations to ensure adequate disclosure and investor protection measures for all ESOPs;
 - (9) calls for the introduction of a new pre-retirement savings vehicle modelled on the United Kingdom *Individual Savings Account* to provide a comparable means of making medium-term savings for those employees who cannot benefit from an ESOP. - (c) the World Health Assembly's (WHA) Rules of Procedure formally allow, through several mechanisms, for the participation of observers, as distinct from states, in the activities of the

 - (6) calls on the Federal Government to recognise:
 - (a) the need for a specialised response to the challenge caused by brain tumours, particularly in the areas of patient and carer support; and
