- (4) recognises that despite successive government policies on the matter of language learning we have not really succeeded in reaping the maximum benefits of the multilingual resources of the Australian people;
- (5) recognises that Australia should base its national policy on languages on the principles of 'English Plus' which can be expressed as the four 'E's: enrichment, economics, equality and external; and
- (6) recognises that Australia needs to elevate the recognition of the importance of language as a skill and resource, both for individuals and as a nation in domestic and international domains. (*Notice given 3 June 2004. Time allowed—remaining private Members' business time.*)

 - (4) expresses appreciation to the Blacktown SDA for their fine and continuing contribution to the city of Blacktown. (*Notice given 18 February 2004. Notice will be removed from the Notice Paper unless called on on 30 August 2004.*)

- 3 **MR BALDWIN:** To move—That this House:
- (1) notes that in 1995 the NSW Government handed over 118km of substandard roads to Dungog Shire Council, without financial support to maintain, fix or repair those extra roads;
 - (2) notes that this was an unrealistic shift in responsibilities, particularly for a small council that does not have the revenue or population to maintain this length of road on top of its existing responsibilities;
 - (3) recognises that this shift resulted in Dungog Council having financial responsibility for the maintenance of roads that have a total length longer than the combined responsibilities of regional roads in Newcastle, Maitland and Lake Macquarie shires;
 - (4) condemns the NSW Government for failing to properly compensate the council for this extra burden in road funding for almost nine years, which has resulted in Dungog Council going into a downward spiral in maintenance;

- (5) recognises the importance of Commonwealth Government programs such as Roads to Recovery, Blackspot Road Funding and Financial Assistance Grants, which provide direct funding to councils; and
 - (6) calls on the NSW Government to provide urgent funding to Dungog Council to pay for the repair and maintenance of roads handed to them in 1995, to make roads safer for motorists and to attract further investment in existing or potential industry. (*Notice given 2 March 2004. Notice will be removed from the Notice Paper unless called on on the next sitting Monday after 30 August 2004.*)
- 4 **MS HOARE:** To move—That this House:

- 5 **MS C. F. KING:** To move—That this House recognises that:
- (1) the viability of many small wineries is under threat;
 - (2) in a large part this threat is the result of the Howard Government's introduction of the Wine Equalisation Tax;
 - (3) the Government has consistently failed to heed the advice of the Winemakers' Federation of Australia of the threat the Wine Equalisation Tax poses to small wineries; and
 - (4) the Government has ignored the comments of its own Trebeck report into improving the viability of small wineries by failing to address the problems small wineries are experiencing with the Wine Equalisation Tax. (*Notice given 8 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 30 August 2004.*)
- 6 **MR P. E. KING:** To move—That this House

 - (2) notes that it is 149 years since this important battle took place;
 - (3) recognises that the Eureka Flag remains an important symbol of the development of democratic government in Australia; and
 - (4) calls on the Government to take steps to have the Eureka Flag proclaimed as an official flag of Australia under the provisions of the *Flags Act 1953*. (*Notice given 8 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 2 sitting Mondays after 30 August 2004.*)
- 8 **MR PRICE:** To move—That this House:
- (1) passes on its congratulations to all those Chifley students who completed the HSC or its equivalent in 2003;
 - (2) recognises the outstanding performance of the 92 students in the Chifley electorate who scored a band 6 mark (a mark of 90% or above) in one or more subjects;
 - (3) notes the vast improvement in HSC completion rates and results in the Chifley electorate in 2003; and

9 MR ORGAN: To move—That this House:

- (1) opposes the recent the majority report by Government members of the Joint Standing Committee on Treaties that recommends against ratification of the Optional Protocol to the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment;
- (2) concludes that the reluctance to ratify the optional protocol is caused by the Australian Government's indifference to human rights in Australia and that this indifference includes, but is not limited to:
 - (a) the existence of immigration detention centres in Australia and in the Pacific region that imprison over 1,000 men, women and children; and
 - (b) the acquiescence by the Australian Government to the indefinite detention of David Hicks and Mamdouh Habib at Guantanamo Bay by the United States of America; and
- (3) expresses concern that not ratifying this protocol would obviate a system of regular visits to be undertaken by independent international and national bodies to places of detention in order to monitor conditions and ensure that torture and other cruel, inhuman or degrading treatment or punishment is not used; and
- (4) calls on the Australian Government to ratify this protocol immediately. (*Notice given 25 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 3 sitting Mondays after 30 August 2004.*)

10 MR KATTER: To move—That this House:

- (1) expresses its regret that Ian Thorpe has not been selected by Australian Swimming to represent Australia in the 400-metres freestyle event at the Athens Olympics;
- (2) calls on Australian Swimming to review its Olympic selection rules, and accept that rules that prevent the selection of the best swimmer to represent Australia in a particular event at the Olympics are clearly obstructing the objectives for which the rules were drafted; and
- (3) calls on Australian Swimming and the Australian Olympics Committee to achieve an equitable solution that will enable Ian Thorpe to compete to earn his right to represent Australia in the 400-metres freestyle event at Athens. (*Notice given 30 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 30 August 2004.*)

- (1) recognises that education is the foundation stone of opportunity for young people;
- (2) acknowledges that the education of students at Fort Street High School is severely disrupted by the impact of aircraft noise;
- (3) acknowledges that aircraft noise is not confined by lines on a map;
- (4) acknowledges that Fort Street High School, established in 1849, is New South Wales' oldest high school;
- (5) acknowledges that, as the main building was constructed in 1914 and the hall in 1927, aircraft noise filters directly into classrooms; and
- (6) calls upon the Government to immediately provide noise amelioration through insulation for buildings at Fort Street High School. (*Notice given 31 March 2004. Notice will be removed from the Notice Paper unless called on on any of the next 4 sitting Mondays after 30 August 2004.*)

12 MS O'BYRNE: To move—That this House:

- (1) recognises the increasing difficulty faced by the citizens of Australia in obtaining proper access to the Administrative Appeals Tribunal as a source of proper redress from the impact of administrative decisions by Government that affect their interests and those of their communities;
- (2) recognises that a particular problem presented by recent decisions concerning the Administrative Appeals Tribunal relates to the legal 'standing' of applicants seeking to bring matters before the Tribunal for decision;
- (3) recognises that for the residents of Brisbane's Southside this has created a particular impediment in their dealings with the Howard Government and the Brisbane Airport Corporation and their decision to construct a new western parallel runway at Brisbane Airport - given that when the relevant decision was challenged before the Administrative Appeals Tribunal by the Federal Member for Griffith, that 'standing' was denied in 2000-2002, thereby preventing the case from being heard on its merits;

 - (d) booksellers will soon face the additional cost of updating or modifying their software, as they did four years ago, to accommodate the closure of the Scheme; and
 - (e) there is support from the Australian Vice Chancellors' Committee for the extension of the Educational Textbook Subsidy Scheme beyond 30 June 2004; and
- (2) urges the Government to reverse its decision to terminate the Educational Textbook Subsidy Scheme effectively introducing a new tax from 1 July 2004 which will result in a price hike for students of up to ten per cent on the cost of their textbooks. *(Notice given 23 June 2004. Notice will be removed from the Notice Paper unless called on on any of the next 7 sitting Mondays after 30 August 2004.)*

- (1) notes with concern the actions taken by the NSW Teachers Federation to challenge in the courts government funding for schools undertaking religious education;
- (2) further notes that:
 - (i) the implications of such a move would be increased fees for many Catholic systemic schools and a large number of Christian schools across the country;
 - (ii) this would result in a shift of a significant number of students to public education, further stressing the under-resourced public education system; and
 - (iii) it could cause divisions in our community between those that wish to have faith based education and those who prefer secular education; and

- 3 **ANTI-SEMITISM:** Resumption of debate (*from 16 February 2004*) on the motion of Mr P. E. King—That this House:
- (1) takes note of the:
- long history of anti-Semitism and its lethal capacity to influence many people to express hatred and carry out violence against Jewish people;
 - alarming rise in the incidence of violent anti-Semitic acts in many countries which have killed Jews and non-Jews alike, the desecration of Jewish cemeteries and memorials and targeted assaults on individual members of the Jewish community; and
 - disturbing upsurge of anti-Semitic propaganda in print, on the Internet and circulated through emails, often in the form of false accusations that Jews are involved in conspiracies against other people; and
- (2) in recognition of these developments:
- expresses its unequivocal condemnation of anti-Semitism, of violence directed against Jews and Jewish religious and cultural institutions, and all forms of racial and ethnic hatred, persecution and discrimination on ethnic or religious grounds, whenever and wherever it occurs;
 - resolves to condemn all manifestations of anti-Semitism in Australia as a threat to the freedoms that all citizens should enjoy equally in a democratic society and commits the Parliament to take all possible concrete actions at a national level to combat this threat to our peaceful and diverse nation; and
 - further resolves to encourage Australian ambassadors and other officials engaged in bilateral contacts with other countries to use their influence to oppose and counter anti-Semitic expressions and to promote all possible efforts at fostering tolerance and community harmony. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on 30 August 2004.*)
- 4 **FERAL PIGS:** Resumption of debate (*from 16 February 2004—Mr Hatton, in continuation*) on the motion of Mr Andren—That this House:

 - notes estimates that the population of feral pigs in Australia could be as high as 23 million; and
 - calls on the Government to develop a nationally coordinated approach to the feral pig issue. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on 30 August 2004.*)

- (1) supports the wider spread, across every category of company and to all their employees, of substantial employee share ownership exercised through the agency of Employee Share Ownership Plans (ESOPs);
 - (2) notes that the existing legislative and regulatory regime inhibits the spread of employee ownership especially to unlisted and private companies chiefly on account of the failure of Corporations Law to provide a disclosure regime proper to ESOPs;
 - (3) notes that those employees who do benefit from ESOPs are actively discouraged from developing substantial holdings in the employers' companies by tax provisions which favour token employee ownership (through a tax exempt share plan) over the acquisitions of larger share holding (through a tax deferred share plan);
 - (4) acknowledges that properly designed ESOPs provide, importantly, a mechanism by means of which employees become co-owners of the businesses for which they work and, thereby, more deeply engaged in, and committed to, the free enterprise system of wealth creation and distribution;
 - (5) acknowledges that ESOPs also provide an important pre-retirement savings vehicle through which families and individuals can save for obligations which arise prior to their retirement;
 - (6) recognises that ESOPs belong to a spectrum of pre-retirement savings vehicles so far undeveloped in Australia yet urgently called for by national demographic and social realities;
 - (7) calls for targeted reforms of tax and corporate law to ensure that ESOPs can easily spread to all employees in all companies and provide these employees with a mechanism capable of delivering them substantial (rather than token) ownership of the companies in which they work;
 - (8) calls for the development of practical regulations to ensure adequate disclosure and investor protection measures for all ESOPs;
 - (9) calls for the introduction of a new pre-retirement savings vehicle modelled on the United Kingdom *Individual Savings Account* to provide a comparable means of making medium-term savings for those employees who cannot benefit from an ESOP.  - (2) notes that some 200 mainly Irish convicts, led by Phillip Cunningham, took part in Australia's first known armed rebellion against authorities, largely over the treatment of Irish convicts in both Britain and the colonies;
 - (3) notes that next year marks the 200th anniversary of this battle;

 - (3) urges the development and introduction of better policies to support women in both their work and family lives; and

(*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 2 sitting Mondays after 30 August 2004.*)
- 12 **FREE TRADE AGREEMENT WITH THE USA**: Resumption of debate (*from 8 March 2004*) on the motion of Mr Johnson—That this House:
- (1) acknowledges the importance and value of international trade and commerce in strengthening bilateral relations between countries;
 - (2) recognises the enormous economic benefits to Australia of the recently negotiated Free Trade Agreement between Australia and the United States of America; and
 - (3) calls on the Opposition to support the recently signed Free Trade Agreement between Australia and the United States of America in Australia's long-term national interest. (*Order of the day will be removed from the Notice Paper unless re-accorded priority on any of the next 2 sitting Mondays after 30 August 2004.*)

- (c) the WFP's mandate and mission are strongly relevant to Australia's overall humanitarian objectives;
