HOPETOUN,

*Governor-General.**Message No. 25.*

A Bill intituled "*An Act to provide for the Service and Execution throughout the Commonwealth of the Civil and Criminal Process and the Judgments of the Courts of the States and of other parts of the Commonwealth, and for other purposes connected therewith,*" as finally passed by the Senate and the House of Representatives of the Commonwealth, having been presented to the Governor-General for the Royal Assent, His Excellency has, in the name of His Majesty, assented to the said Act.

Government House,
Melbourne, 16th October, 1901.

3. WANT OF CONFIDENCE IN THE GOVERNMENT FINANCIAL AND TARIFF PROPOSALS.—The Order of the Day for the resumption of the debate on the question—
 - (1) That this House cannot accept the Financial and Tariff proposals submitted by the Government—
 - (a) Because they would place the finances of the Commonwealth and the States upon an unsound and extravagant basis.
 - (b) Because they fail to adjust the burdens of taxation and the advantages of the free list in an equitable manner, revealing a marked tendency, which this House regrets to observe, to press upon necessities of life and appliances used in our farming, mining, and pastoral industries more heavily than they do upon many articles of luxury.
 - (c) And because they would in their operation destroy the stability of the Revenue by making imposts for national purposes a source of undue profit to a few individuals, and a few favoured industries, at the expense of the whole community.
 - (2) That the foregoing resolutions be conveyed, by Address, to His Excellency the Governor-General—

having been read—
