R. M. FERGUSON,

*Governor-General.*

*Message No. 174.*

In accordance with the requirements of section fifty-six of the Constitution of the Commonwealth of Australia, the Governor-General recommends to the House of Representatives that an appropriation of revenue be made for the purposes of a Bill for an Act to grant and apply a sum out of the Consolidated Revenue Fund for the service of the year ending the thirtieth day of June One thousand nine hundred and seventeen.

Melbourne, 25th November, 1916.

R. M. FERGUSON,

*Governor-General.*

*Message No. 175.*

In accordance with the requirements of section fifty-six of the Constitution of the Commonwealth of Australia, the Governor-General recommends to the House of Representatives that an appropriation of revenue be made for the purposes of a Bill for an Act to grant and apply a sum out of the Consolidated Revenue Fund for the service of the year ending the thirtieth day of June One thousand nine hundred and seventeen for the purposes of Additions, New Works, Buildings, &c.

Melbourne, 25th November, 1916.

Question proposed—That the foregoing Messages be referred to the Committee of Supply.

Mr. Tudor moved an amendment, That after the first word "That" the following words be inserted:—  
"the Prime Minister (the Honorable W. M. Hughes) no longer possesses the confidence of this House, for the following reasons:—

1. That the Prime Minister secretly prepared regulations for the purpose of intimidating intending voters at the polling booths on the 28th of October (Referendum Day).

2. That though the said regulations were rejected at a duly constituted Executive Council Meeting held at Melbourne, on Wednesday, the 25th of October, and attended by Senator the Honorable Albert Gardiner (Vice-President of the Executive Council), the Honorable J. A. Jensen (Minister for the Navy), the Honorable W. G. Higgs (Treasurer), and Senator the Honorable E. J. Russell (Assistant Minister), the Prime Minister persisted in his reprehensible endeavour to tack on to the Referendum an unnecessary and irritating procedure designed to add penalties for military offences already provided for in the Commonwealth Defence Act.

3. That the Prime Minister succeeded in getting the objectionable regulations passed on Friday, the 27th of October, at an Executive Council Meeting, held at Sydney, and attended by His Excellency the Governor-General, the Honorable J. A. Jensen, and himself, although the said regulations had been rejected at an Executive Council Meeting held two days before.

4. That the Prime Minister then issued the said regulations, and ordered the Chief Electoral Officer (Mr. Oldham) to give effect to them.

5. That the regulations were withdrawn only after Senator Gardiner, Mr. Higgs, and Senator Russell resigned from the Ministry.

6. That though the Prime Minister issued the discreditable regulations above referred to on the morning of Friday, the 27th of October, he attempted to and did deceive a large section of the public of Australia by stating in the newspaper Press on Saturday, the 28th of October, that 'no such regulations had been issued.'

7. That the foregoing resolutions be communicated to His Excellency the Governor-General."

Mr. Jensen moved, That the debate be now adjourned.
