- (a) notes the findings of the Court of Appeal in overturning a decision of the Victorian Civil and Administrative Tribunal which had granted approval to the Romsey Hotel to install gaming machines, stating:

‘... if the approval of gaming at particular premises is likely to cause unhappiness or discontent in that community (or any part or parts of it), that consequence is a “social impact of approval” which will be “detrimental to the well-being of the community”. It will be detrimental to well-being because it diminishes the citizens’ sense of happiness with, or contentment in, their community’, and

‘the fact that the ... Act *allows* gaming to occur in approved premises does not mean that any Victorian community is *obliged* to accept gaming machines’;
