- (b) to lodge Australia's formal instrument of accession to the convention with the International Civil Aviation Organization.

*235 **Senator Siewert:** To move—That the Senate—

- (a) notes that:
 - (i) the week beginning 12 October 2008 is Anti-Poverty Week,
 - (ii) Aboriginal and Torres Strait Islanders are over represented amongst those living in poverty in Australia,
 - (iii) people living on income support payments including single parents, disability support pension and the age pension are over represented amongst those living in poverty in Australia, and
 - (iv) Australia currently gives foreign aid to the value of 0.32 per cent of gross national income; and
- (b) calls on the Government to:
 - (i) support the development of effective benchmarks to measure poverty,
 - (ii) institute policies that seek to eradicate poverty and strengthen social inclusion,
 - (iii) increase the base pension rate by \$30 per week which would have the added benefit of directly increasing cash flows during this time of economic crisis, and

*236 **Senator Siewert:** To move—That the Senate—

- (a) notes:

*237 **Senator Cormann:** To move—That the Senate—

(a) notes:

- (i) that in September 2007, the Howard Government provided \$502 700 in funding towards the establishment of a much-needed paediatric ward at the Peel Health Campus under the Regional Partnerships Program,
 - (ii) the significant efforts made by the local community in raising \$2.4 million in funding through raffles, fund raising and other community events to raise the total project cost of \$3.8 million (including building and capital equipment),
 - (iii) that the Western Australian Government committed to providing \$750 000 in funding towards this project,
 - (iv) the Rudd Labor Government's shambolic approach to this very meritorious Regional Partnerships Project, having:
 - (A) initially halted funding for the Peel Health Campus paediatric ward as part of its blanket decision to end all funding under the Regional Partnerships Program,
 - (B) then, in the face of a major public outcry, agreed to re-examine projects that had already been approved,
 - (C) then, on 29 May 2008 reinstated funding to the Peel Health Campus subject to the project meeting certain conditions, and
 - (D) then, by letter dated 1 August, cruelly cancelled funding for the paediatric ward at Peel Health Campus again, claiming that the local project proponents had not complied with all the bureaucratic requirements, even though those had not been properly communicated,
 - (v) that communications between the Department of Infrastructure, Transport, Regional Development and Local Government and the Peel Health Campus at no point revealed any obstacles that would stop the contracts being signed before the cut-off date of 31 July 2008,
 - (vi) that as of 31 July 2008 the contracts were not signed and the Peel Health Campus Trust was informed by letter, dated 1 August 2008, that their application had been rejected, and
 - (vii) the Rudd Government's attempts to hide behind cold bureaucratic stone walling claiming that its outrageous decision was based on:
 - (A) concern over management of the building contract for the project, even though this issue had been resolved in early July, and
 - (B) concern that a funding commitment of \$330 000 from a third party (the Variety Club) was not finalised by 30 June 2008, even though the project had sufficient funding from other contributors and was never dependant on the Variety Club funding; and
- (b) calls on the Rudd Government immediately to reinstate its share of funding for the much needed paediatric ward at the Peel Health Campus to the agreed level of \$502 700, so that the children of the rapidly growing Mandurah region will not have to continue to be treated in adult wards.

- (2) The Senate reaffirms its resolution of 20 June 1996, relating to procedures to be followed by committees in cases of unauthorised disclosure of committee proceedings.
- (3) The Senate provides the following guidelines to be observed by committees in applying that resolution, and declares that the Senate will observe the guidelines in determining whether to refer a matter to the Committee of Privileges:
 1. Unless there are particular circumstances involving actual or potential substantial interference with the work of a committee or of the Senate, the following kinds of unauthorised disclosure should not be raised as matters of privilege:
 - (a) disclosure of a committee report in the time between the substantial conclusion of the committee's deliberations on the report and its presentation to the Senate;

- (b) disclosure of other documents prepared by a committee and not published by the committee, where the committee would have published them, or could appropriately have published them, in any event, or where they contain only research or publicly-available material, or where their disclosure is otherwise inconsequential;
 - (c) disclosure of documents and evidence submitted to a committee and not published by the committee, where the committee would have published them, or could appropriately have published them, in any event;
 - (d) disclosure of private deliberations of a committee where the freedom of the committee to deliberate is unlikely to be significantly affected.
2. The following kinds of unauthorised disclosure are those for which the contempt jurisdiction of the Senate should primarily be reserved, and which should therefore be raised as matters of privilege:
- (a) disclosure of documents or evidence submitted to a committee where the committee has deliberately decided to treat the documents or evidence as in camera material, for the protection of witnesses or others, or because disclosure would otherwise be harmful to the public interest;
 - (b) disclosure of documents prepared by a committee where that involves disclosure of material of the kind specified in paragraph (a);
 - (c) disclosure of private deliberations of a committee where that involves disclosure of that kind of material, or significantly impedes the committee's freedom to deliberate.
3. An unauthorised disclosure not falling into the categories in guidelines 1 and 2 should not be raised as a matter of privilege unless it involves actual or potential substantial interference with the work of a committee or of the Senate.
4. When considering any unauthorised disclosure of material in the possession of a committee, the committee should consider whether there was any substantive reason for not publishing that material.
- (4) Before deciding to raise a matter of privilege involving possible unauthorised disclosure of committee proceedings, any committee may seek the guidance of the Committee of Privileges as to whether a matter should be pursued. If the committee decides that such a matter should be raised, it must consult with the Committee of Privileges before taking the matter further.
- (5) When applying this resolution a committee shall have regard to the matters set out in paragraphs 3.43 to 3.59 of the 122nd Report of the Committee of Privileges, June 2005.

GUIDE TO THE NOTICE PAPER

The *Notice Paper* is issued each sitting day and contains details of current business before the Senate. Its structure is based on four main types of business, as follows:

Matters of privilege take precedence over all other business and are listed at the beginning of the *Notice Paper* when they arise. They consist of notices of motion which the President has determined warrant such precedence and any orders relating to adjourned debates on such motions.

Business of the Senate has precedence over government and general business for the day on which it is listed. It includes disallowance motions, orders of the day for the presentation of committee reports, motions to refer matters to standing committees, motions for leave of absence for a senator and motions concerning the qualification of a senator.

Government business is business initiated by a minister including the consideration of government legislation. It takes precedence over general business except for a period of 2½ hours each week set aside on Thursdays for general business.

General business is all other business initiated by senators who are not ministers. It takes precedence over government business only as described above.

Within each of these categories, business consists of notices of motion and orders of the day:

Notices of motion are statements that senators intend to move particular motions on the days indicated. They are entered on the *Notice Paper* in the order given and may be given jointly by two or more senators. Notices of motion are usually considered before orders of the day.

Orders of the day are items of business which the Senate has ordered to be considered on particular days, usually arising from adjourned debates on matters (including legislation) or requirements to present committee reports.

On days other than Thursdays, the *Notice Paper* records all business of the Senate and government business items, but includes only new items of general business from the previous sitting day. On Thursdays, business relating to the consideration of government documents, committee reports and government responses to committee reports is also published.

Other sections in the *Notice Paper* are as follows:

Orders of the day relating to committee reports and government responses—adjourned debates on motions to consider or adopt committee reports and government responses. These orders may be considered for one hour on Thursdays at the conclusion of general business. New items appear on the following day's *Notice Paper*. The section is printed in full on Thursdays.

Orders of the day relating to government documents—adjourned debates on motions to take note of government documents. Such orders arise from consideration of the government documents presented on a particular day and include consideration of any documents not reached on the day. They are also listed for consideration for up to one hour on Thursdays during the consideration of general business. New items appear in the following day's *Notice Paper*. The section is printed in full on Thursdays.

Business for future consideration lists any notice of motion or order of the day to be considered on a specific day in the future; for example, a committee report ordered to be presented on a specific date, or a notice of motion given for a day other than the next day of sitting.

Bills referred to committees lists all bills or provisions of bills currently being considered by committees.

Questions on notice includes the text of new questions on notice and lists the numbers of unanswered questions.

Orders of the Senate includes orders of short-term duration such as orders for production of documents and those relating to days of sitting for a period of sittings.

Contingent notices of motion are statements of intention by senators that, contingent on a specified occurrence, they may move a motion, usually to suspend standing orders. They are grouped by subject.

Temporary chairs of committees is a daily list of all senators appointed to take the chair in the absence of the President or Deputy President.

Categories of committees is a daily list, categorised by type, of Senate and joint committees. Details of each committee appear in the committee section.

Committees lists all of Senate and joint committees, including membership, current inquiries and reports presented on or since the previous sitting day.

Senate appointments to statutory authorities lists the statutory authorities on which the Senate is represented and details of representation.

Ministerial representation lists Senate ministers and the portfolios they represent.

The ‘full’ Notice Paper

On the first day of the autumn and spring sittings a full *Notice Paper* is printed listing all outstanding business before the Senate, including the full text of all unresolved notices of motion and unanswered questions on notice. This edition is a complete reference to unresolved business from earlier in the session and is useful to keep. All business before the Senate is published daily in the full online version of the *Notice Paper*, available on ParlInfo and at: www.aph.gov.au/senate/work/notice/index.htm

Inquiries concerning the *Notice Paper* or business listed in it may be directed to the Senate Table Office on (02) 6277 3018.
