Dear Debbie

At the hearing yesterday I was asked to provide details of the research by Bob Birrell and Virginia Rapson on men who cannot afford to support families. The source where they have assembled and analysed most of the data is A Not So Perfect Match--The Growing Male/Female Divide (Centre for Population and Urban Research, Monash University, 1998).

The Committee should be able to get a copy by ringing the Centre (Ms Sue Drummond, 03 9905 2965)

Good to meet you yesterday

Regards

Katharine
