To The Secretary, House Communications.

We live in rural Victoria, in Apollo Bay, on the Great Ocean Road, post code 3233.

We wish to let you know that our radio reception is inadequate, and sometimes almost non existent, depending on the weather. Our stations are often full of static and we loose the signal completely.

Likewise, we have the same problem with Television reception. We would urge the Government to look into this poor situation, as we pay the same taxes as our city dwelling Australians, who have perfect reception for TV and radio.

Thank you for your attention to this matter.

Kindest Regards,

Ken and Valerie Johnson  
9 Harrison Street  
Apollo Bay, Victoria 3233
