Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

To assist + care for my husband as long as I am able

I face the following problems ...

As my husband eyes has disability becomes a greater handicap - I will not be able to assist him if he falls + help is not at hand.

I need help with ...

The country communities need much more facilities + personnel to give more assist to those with problems

I think the Government can better help Carers by ...

Supplying more services in the country areas. Providing fund to employ staff to help with cleaning outdoor jobs + care services

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
