Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ....

TO help others that can't do it  
by themselves

I face the following problems ...

making sure I help my nephew  
& have time for my own  
children

I need help with ...

finance & respite

I think the Government can better help Carers by ...

Offering more respite services  
& Raising carers allowance

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
