Subject: RE: Africa Inquiry--ODA to Africa request for information [SEC=UNCLASSIFIED]

Dear Mr Carter

Apologies for the delay in replying to your query.

ODA amounts directed to Africa in 2009-10; in 2010-11; and budgeted for 2011-12 are set out in the table below:

AFRICA	Actual 2009-10	Budget Estimate 2010-11	Estimated Outcome 2010-11	Budget Estimate 2011-12
	\$175.2 m	\$200.9 m	\$290.7 m	\$291.3 m

I have also attached a map of Africa which gives an indication of the focus of ODA to Africa.

Both the above and attached information is available in the 2011-12 aid budget statement 'Australia's International Development

Assistance Program 2011-12'. The website link to the document is:

Please feel free to contact me should you have any questions in relation to the information above.

Kind regards

Lisa Rauter
