## **AGREEMENT ESTABLISHING THE AFRICAN DEVELOPMENT BANK**

---

### **PREAMBLE**

**THE GOVERNMENTS** on whose behalf this Agreement is signed,

**DETERMINED** to strengthen African solidarity by means of economic co-operation between African States,

**CONSIDERING** the necessity of accelerating the development of the extensive human and natural resources of Africa in order to stimulate economic development and social progress in that region,

**REALIZING** the importance of co-ordinating national plans of economic and social development for the promotion of the harmonious growth of African economies as a whole and the expansion of African foreign trade and, in particular, inter-African trade,

**RECOGNIZING** that the establishment of a financial institution common to all African countries would serve these ends,

**CONVINCED** that a partnership of African and non-African countries will facilitate an additional flow of international capital through such an institution for the economic development and social progress of the region, and the mutual benefit of all parties to this Agreement,

## **CHAPTER I**

  - a. To use the resources at its disposal for the financing of investment projects and programmes relating to the economic and social development of its regional members, giving special priority to:
    - i. Projects or programmes which by their nature or scope concern several members; and
    - ii. Projects or programmes designed to make the economies of its members increasingly complementary and to bring about an orderly expansion of their foreign trade;
  - b. To undertake, or participate in, the selection, study and preparation of projects, enterprises and activities contributing to such development;
  - c. To mobilize and increase in Africa, and outside Africa, resources for the financing of such investment projects and programmes;
  - d. Generally, to promote investment in Africa of public and private capital in projects or programmes designed to contribute to the economic development or social progress of its regional members;

- e. To provide such technical assistance as may be needed in Africa for the study, preparation, financing and execution of development projects or programmes; and
  - f. To undertake such other activities and provide such other services as may advance its purpose.
2. In carrying out its functions, the Bank shall seek to co-operate with national, regional and sub-regional development institutions in Africa. To the same end, it should co-operate with other international organizations pursuing a similar purpose and with other institutions concerned with the development of Africa.
3. The Bank shall be guided in all its decisions by the provisions of articles 1 and 2 of this Agreement.

### **ARTICLE 3**

#### **Membership and Geographical Area**

1. Any African country which has the status of an independent State may become a regional member of the Bank. It shall acquire membership in accordance with paragraph 1 or paragraph 2 of article 64 of this Agreement.
2. The geographical area to which the regional membership and development activities of the Bank may extend (referred to in this Agreement as "Africa" or "African", as the case may be) shall comprise the continent of Africa and African islands.
3. Non-regional countries which are, or become, members of the African Development Fund, or which have made, or are making, contributions to the African Development Fund under terms and conditions similar to the terms and conditions of the Agreement Establishing the African Development Fund, may also be admitted to the Bank, at such times and under such general rules as the Board of Governors shall have established. Such general rules may be amended only by decision of the Board of Governors by a two-thirds majority of the total number of governors, including two-thirds of the governors of non-regional members, representing not less than three-fourths of the total voting power of the member countries.

1. a. The initial authorized capital stock of the Bank shall be 250,000,000 units of account. It shall be divided into 25,000 shares of a par value of 10,000 units of account each share, which shall be available for subscription by members. The authorized capital stock may be increased in accordance with paragraph 3 of this article.
- b. The value of a unit of account shall be equivalent to one Special Drawing Right (SDR) of the International Monetary Fund or any unit adopted for the same purpose by the International Monetary Fund.
2. The authorized capital stock shall be divided into paid-up shares and callable shares. The proportion between the paid-up shares and the callable shares shall be determined by the Board of Governors from time to time. The callable shares shall be callable for the purpose defined in paragraph 4(a) of article 7 of this Agreement.
3. Subject to the provisions of paragraph 4 of this article, the authorized capital stock may be increased as and when the Board of Governors deems it advisable. Unless that stock is increased solely to provide for the initial subscription of a member, the decision of the Board shall be adopted by a two-thirds majority of the total number of Governors, representing not less than three-quarters of the total voting power of the members.
4. The authorized capital stock and any increases thereof shall be allocated for subscription to regional and non-regional members in such proportions that the respective groups shall have available for subscription that number of shares which, if fully subscribed, would result in regional members holding sixty

The initial number of shares to be subscribed by a State which acquires membership in accordance with paragraph 1 of article 64 of this Agreement shall be that set forth in this respect in annex A to this Agreement, which shall form an integral part thereof. The initial number of shares to be subscribed by other members shall be determined by the Board of Governors.
2. In the event of an increase of the capital stock for a purpose other than solely to provide for an initial subscription of a member, each member shall have the right to subscribe, on such uniform terms and conditions as the Board of Governors shall determine, a proportion of the increase of stock equivalent to the proportion which its stock theretofore subscribed bears to the total capital stock of the Bank. No member, however, shall be obligated to subscribe to any part of such increased stock.
3. A member may request the Bank to increase its subscription on such terms and conditions as the Board of Governors may determine.
4. Shares of stock initially subscribed by States which acquire membership in accordance with paragraph 1 of article 64 of this Agreement shall be issued at par. Other shares shall be issued at par unless the Board of Governors decides in special circumstances to issue them on other terms.
5. Liability on shares shall be limited to the unpaid portion of their issue price.

3. The Board of Governors shall determine the dates for the payment of amounts subscribed by the members of the Bank to the paid-up capital stock to which the provisions of paragraph 1 of this article do not apply.
4. a. Payment of the amounts subscribed to the callable capital stock of the Bank shall be subject to call only as and when required by the Bank to meet its obligations incurred, pursuant to paragraph 1(b) and (d) of article 14, on borrowing of funds for inclusion in its ordinary capital resources or guarantees chargeable to such resources.

- b. In the event of such calls, payment may be made at the option of the member concerned in convertible currency or in the currency required to discharge the obligation of the Bank for the purpose of which the call is made.
  - c. Calls on unpaid subscriptions shall be uniform in percentage on all callable shares.
5. The Bank shall determine the place for any payment under this article, provided that, until the first meeting of its Board of Governors provided in article 66 of this Agreement, the payment of the first instalment referred to in paragraph 1 of this article shall be made to the Trustee referred to in article 66.

### **Limitations on Operations**

2. The total amount outstanding in respect of the special operations of the Bank relating to any Special Fund shall not at any time exceed the total amount of the unimpaired special resources appertaining to that Special Fund.

3. In the case of loans made out of funds borrowed by the Bank to which the commitment to calls provided for in paragraph 4(a) of article 7 of this Agreement applies, the total amount of principal outstanding and payable to the Bank in a specific currency shall not at any time exceed the total amount of principal outstanding in respect of funds borrowed by the Bank that are payable in the same currency.

In making direct loans, the Bank shall furnish the borrower with currencies other than the currency of the member in whose territory the project concerned is to be carried out (the latter currency hereinafter to be called "local currency"), which are required to meet foreign exchange expenditure on that project; provided always that the Bank may, in making direct loans, provide financing to meet local expenditure on the project concerned:

1. Where it can do so by supplying local currency without selling any of its holdings in convertible currencies; or
2. Where in the opinion of the Bank local expenditure on that project is likely to cause undue loss or strain on the balance of payments of the country where that project is to be carried out

and the amount of such financing by the Bank does not exceed a reasonable portion of the total local expenditure incurred on that project.

## **ARTICLE 17**

---

### **Operational Principles**

1. The operations of the Bank shall be conducted in accordance with the following principles:
  - a.
    - i. The operations of the Bank shall, except in special circumstances, provide for the financing of specific projects, or groups of projects, particularly those forming part of a national or regional development programme urgently required for the economic or social development of its regional members. They may, however, include global loans to, or guarantees of loans made to, African national development banks or other suitable institutions, in order that the latter may finance projects of a specified type serving the purpose of the Bank within the respective fields of activities of such banks or institutions;
    - ii. In selecting suitable projects, the Bank shall always be guided by the provisions of paragraph 1(a) of article 2 of this Agreement and by the potential contribution of the project concerned to the purpose of the Bank rather than by the type of the project. It shall, however, pay special attention to the selection of suitable multinational projects;
  - b. The Bank shall not provide for the financing of a project in the territory of a member if that member objects thereto;
  - c. The Bank shall not provide for the financing of a project to the extent that in its opinion the recipient may obtain the finance or facilities elsewhere on terms that the Bank considers are reasonable for the recipient;
  - d. The proceeds of any loan, investment or other financing undertaken in the ordinary operations of the Bank shall be used only for procurement in member countries of goods and services produced in member countries, except in any

- case in which the Board of Directors determines to permit procurement in a non-member country or of goods and services produced in a non-member country in special circumstances making such procurement appropriate, as in the case of a non-member country in which a significant amount of financing has been provided to the Bank;
- e. In making or guaranteeing a loan, the Bank shall pay due regard to the prospects that the borrower and the guarantor, if any, will be in a position to meet their obligations under the loan;
  - f. In making or guaranteeing a loan, the Bank shall be satisfied that the rate of interest and other charges are reasonable and such rate, charges and the schedule for the repayment of principal are appropriate for the project concerned;
  - g. In the case of a direct loan made by the Bank, the borrower shall be permitted by the Bank to draw its funds only to meet expenditure in connexion with the project as it is actually incurred;
  - h. The Bank shall make arrangements to ensure that the proceeds of any loan made or guaranteed by it are used only for the purposes for which the loan was granted, with due attention to considerations of economy and efficiency;
  - i. The Bank shall seek to maintain a reasonable diversification in its investments in equity capital;
  - j. The Bank shall apply sound banking principles to its operations and, in particular, to its investments in equity capital. It shall not assume responsibility for managing any institution or undertaking in which it has an investment; and
  - k. In guaranteeing a loan made by other investors, the Bank shall receive suitable compensation for its risk.
2. The Bank shall adopt such rules and regulations as are required for the consideration of projects submitted to it.

## **ARTICLE 18**

### **Terms and Conditions for Direct Loans and Guarantees**

---

1. In the case of direct loans made by the Bank, the contract:
  - a. Shall establish, in conformity with the operational principles set forth in paragraph 1 of article 17 of this Agreement and subject to the other provisions of this chapter, all the terms and conditions for the loan concerned, including those relating to amortization, interest and other charges, and to maturities and dates of payment; and, in particular,
  - b. Shall provide that --subject to paragraph 3(c) of this article --payments to the Bank of amortization, interest, commission and other charges shall be made in the currency loaned, unless --in the case of a direct loan made as part of special operations --the rules and regulations provide otherwise.
2. In the case of loans guaranteed by the Bank, the contract of guarantee:
  - a. Shall establish, in conformity with the operational principles set forth in paragraph 1 of article 17 of this Agreement and subject to the other provisions of this chapter, all the terms and conditions of the guarantee concerned including those relating to the fees, commission, and other charges of the Bank; and, in particular,
  - b. Shall provide that --subject to paragraph 3(c) of this article --all payments to the Bank under the guarantee contract shall be made in the currency loaned, unless --in the case of a loan guaranteed as part of special operations -- the rules and regulations provide otherwise; and
  - c. Shall also provide that the Bank may terminate its liability with respect to interest if, upon default by the borrower and the guarantor, if any, the Bank offers to purchase, at par and interest accrued to a date designated in the offer, the bonds or other obligations guaranteed.
3. In the case of direct loans made or loans guaranteed by the Bank, the Bank:
  - a. In determining the terms and conditions for the operation, shall take due account of the terms and conditions on

which the corresponding funds were obtained by the Bank;

- b. Where the recipient is not a member, may, when it deems it advisable, require that the member in whose territory the project concerned is to be carried out, or a public agency or institution of that member acceptable to the Bank, guarantee the repayment of the principal and the payment of interest and other charges on the loan;
- c. Shall expressly state the currency in which all payments to the Bank under the contract concerned shall be made. At the option of the borrower, however, such payments may always be made in convertible currency or, subject to the agreement of the Bank, in any other currency; and
- d. May attach such other terms or conditions, as it deems appropriate, taking into account both the interest of the member directly concerned in the project and the interests of the members as a whole.

1. Whenever necessary to meet contractual payments of interest, other charges or amortization on the borrowing of the Bank, or to meet its liabilities with respect to similar payments in respect of loans guaranteed by it and chargeable to its ordinary capital

resources, the Bank may call an appropriate amount of the unpaid subscribed callable capital in accordance with paragraph 4 of article 7 of this Agreement.

2. In cases of default in respect of a loan made out of borrowed funds or guaranteed by the Bank as part of its ordinary operations, the Bank may, if it believes that the default may be of long duration, call an additional amount of such callable capital not to exceed in any one year one per cent of the total subscriptions of the members, for the following purposes:
  - a. To redeem before maturity, or otherwise discharge, its liability on all or part of the outstanding principal of any loan guaranteed by it in respect of which the debtor is in default; and
  - b. To repurchase, or otherwise discharge, its liability on all or part of its own outstanding borrowing.

## **ARTICLE 22**

### **Methods of Meeting Liabilities on Borrowings for Special Funds**

## **CHAPTER IV**

### **BORROWING AND OTHER ADDITIONAL POWERS**

#### **ARTICLE 23**

##### **General Powers**

In addition to the powers provided elsewhere in this Agreement, the Bank shall have power to:

  - i. Before making a sale of its obligations in the market of a member, the Bank shall have obtained its approval;
  - ii. Where the obligations of the Bank are to be denominated in the currency of a member, the Bank shall have obtained its approval; and
  - iii. 3. The payment for shares repurchased by the Bank under this article shall be governed by the following conditions:
  - a. Any amount due to the State concerned for its shares shall be withheld so long as that State, its Central Bank or any of its agencies remains liable, as borrower or guarantor, to the Bank and such amount may, at the option of the Bank, be applied on any such liability as it matures. No amount shall be withheld on account of the liability of the State resulting from its subscription for shares in accordance with paragraph 4 of article 7 of this Agreement. In any event, no amount due to a member for its shares shall be paid until six months after the termination date.
  - b. Payments for shares may be made from time to time, upon their surrender by the Government of the State concerned, to the extent by which the amount due as the repurchase price in accordance with paragraph 2 of this article exceeds the aggregate amount of liabilities on loans and guarantees referred to in sub-paragraph (a) of

this paragraph until the former member has received the full repurchase price.

- c. Payments shall be made in the currency of the State receiving payment or, if such currency is not available, in convertible currency.
- d. If losses are sustained by the Bank on any guarantees or loans which were outstanding on the termination date and the amount of such losses exceeds the amount of the reserve provided against losses on that date, the State concerned shall repay, upon demand, the amount by which the repurchase price of its shares would have been reduced, if the losses had been taken into account when the repurchase price was determined. In addition, the former member shall remain liable on any call for unpaid subscriptions in accordance with paragraph 4 of article 7 of this Agreement, to the extent that it would have been required to respond if the impairment of capital had occurred and the call had been made at the time the repurchase price of its shares was determined.
- e. If the Bank terminates its operations pursuant to article 47 of this Agreement within six months of the termination date, all rights of the State concerned shall be determined in accordance with the provisions of its articles 47 to 49.

This distribution shall be subject to the prior settlement of all outstanding claims of the Bank against each member.

3. Before any distribution of assets is made, the Board of Directors shall fix the proportionate share of each member according to the ratio of its shareholding to the total outstanding shares of the Bank.
4. The Board of Directors shall value the assets to be distributed at the date of distribution and then proceed to distribute in the following manner:

**ELECTION OF DIRECTORS**

**1. Non-divisible vote**

At the election of directors each governor shall cast all votes of the member he represents for a single person.

**2. Regional Directors**

- a. The twelve persons receiving the highest number of votes of the governors representing the regional members shall be directors, except that no person who receives less than eight per cent of the total voting power of the regional members shall be considered as elected.
- b. If twelve persons are not elected at the first ballot, a second ballot shall be held in which the person who received the lowest number of votes in the preceding ballot shall be ineligible and in which votes shall be cast only by:
  - i. Governors who voted in the preceding ballot for a person who is not elected; and

\* GENERAL COUNSEL'S NOTE (1979): The adoption of the amendment to Article 33 whereby the membership of the Bank's Board of Directors was increased from nine to eighteen, and provision was made for the exclusive election of twelve directors by regional members and six by non-regional members, necessitated the establishment in annex B to the Agreement of separate rules for the election of the regional and non-regional directors. The same amendment also made it necessary for the Board of Governors to reconsider the minimum and maximum percentages established in the original version of annex B for the election of a director. The Board of Governors, during the consideration of this amendment, decided that in the section of annex B that deals with the election of regional directors, the respective percentages should be eight and ten instead of ten and twelve as in the original rules, and at the same time fixed the minimum and maximum percentages for the election of non-regional directors at fourteen and nineteen respectively. These decisions having been taken before the adoption of the resolution amending the Bank Agreement, the resulting amendment is deemed to have included the adoption of the new minimum and maximum percentage figures. However, reference should be made to the Rules for the Election of Executive Directors and the relevant resolution authorizing their election, which may include variations of the minimum and maximum percentages contained in this annex B.

GENERAL COUNSEL'S NOTE (2010): With the adoption of Resolution B/BG/2002/04 varying the Rules for the Election of Executive Directors, the minimum percentage for the election of regional directors changed from eight to six per cent while the maximum stayed at ten per cent. The adoption of Resolution B/BG/2010/10 increasing the number of directors from eighteen to twenty implies that the minimum percentage of normalized total voting power required for the election of regional directors has changed to five and a half per cent while the maximum has been reduced from ten per cent to seven per cent. In the case of non-regional directors the minimum and maximum percentages required are now twelve per cent and seventeen per cent, respectively.

- ii. Governors whose votes for a person who is elected are deemed, in accordance with paragraph 2(c) of this annex, to have raised the votes cast for that person above ten\* per cent of the total voting power of the regional members.
  - c.
    - i. In determining whether the votes cast by a governor shall be deemed to have raised the total number of votes for any person above ten\* per cent, the said ten\* per cent shall be deemed to include, first, the votes of the governor casting the highest number of votes for that person, and then, in diminishing order, the votes of each governor casting the next highest number until ten\* per cent is attained.
    - ii. Any governor part of whose votes must be counted in order to raise the votes cast for any person above eight\* per cent shall be considered as casting all his votes for that person even if the total number of votes cast for that person thereby exceeds ten\* per cent.
  - d. If, after the second ballot, twelve persons are not elected, further ballots shall be held in conformity with the principles laid down in this annex, provided that after eleven persons are elected, the twelfth may be elected -- notwithstanding the provisions of paragraph 2(a) of this annex -- by a simple majority of the remaining votes. All such remaining votes shall be deemed to have counted towards the election of the twelfth director.

### **3. Non-regional Directors**

- a. The six persons receiving the highest number of votes of the governors representing the non-regional members shall be directors, except that no person who receives less than fourteen\* per cent of the total voting power of the non-regional members shall be considered as elected.
- b. If seven persons are not elected at the first ballot, a second ballot shall be held in which the person who received the

lowest number of votes in the preceding ballot shall be ineligible and in which votes shall be cast only by:

- i. Governors who voted in the preceding ballot for a person who is not elected; and
  - ii. Governors whose votes for a person who is elected are deemed in accordance with paragraph 3(c) of this annex, to have raised the votes cast for that person above nineteen\* per cent of the total voting power of the non-regional members.
- c.
- i. In determining whether the votes cast by a governor shall be deemed to have raised the total number of votes for any person above nineteen\* per cent, the said nineteen\* per cent shall be deemed to include, first the votes of the governor casting the highest number of votes for that person, and then, in diminishing order, the votes of each governor casting the next highest number until nineteen\* per cent is attained.
  - ii. Any governor part of whose votes must be counted in order to raise the votes cast for any person above fourteen\* per cent shall be considered as casting all his votes for that person even if the total number of votes cast for that person thereby exceeds nineteen\* per cent.
- d. If, after the second ballot, six persons are not elected, further ballots shall be held in conformity with the principles laid down in this annex, provided that after five persons are elected, the sixth may be elected --notwithstanding the provisions of paragraph 3(a) of this annex --by a simple majority of the remaining votes. All such remaining votes shall be deemed to have counted towards the election of the sixth director.
