J.

To the Standing Committee on Legal and Constitutional Affairs, Submission to the Familie Law Reform I am a Liberal Voter and I am hoping that the promise that was made by Liberal Government will no longer be just that, but will change the Heartache and Pain served out by the Familie Court for many innocent People that are being destroyed by Perjury and hatred as the Familie Court has no problem to act on the Lies, not because they believe it is the truth, but the more nasty the other partys Solicitor is, the longer the Case will drag out only to fill the Solicitor pay packet. The way the Familie Court is at present it destroys Families more than holding them together. I am a maternal Grand mother that has had the experience with the Familie Court when I relized what was going on I with draw my Application for conduct as I was not willing to throw good Money after bad. In my few no one seems to ask the Children what they want, I feel because of the way the Familie Court works at present it actually puts Children in a very vulnerable situation in some cases. I hope that there will be a change for the better in relation to the Familie Law, also that Perjury in the Familie Court will no longer be accepted and punished as it is a Criminal offence in any other Australian Court. with out any malice Faithfully [REDACTED]
