

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES ASSEMBLED IN
PARLIAMENT:**

The petition of members of the State of Western Australia, and certain electors of the Division of Stirling draws to the attention of the House, the need for a Medicare branch located in Mirrabooka, Western Australia, at Mirrabooka Square Shopping Centre. In recent Market Research undertaken by Mirrabooka Square Shopping Centre, 71% of respondents indicated that the addition of a service such as Medicare would be highly desirable.

Your petitioners signed hereunder, therefore pray that the House give consideration to the establishment of a Medicare branch in this location.
