

PETITION

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

This petition of certain residents of Australia draws to the attention of the House the threat posed by greenhouse gas emissions and the failure of the Liberal Party, the National Party and the Independents to support the *Carbon Pollution Reduction Scheme Bill 2009*.

We declare our support for a carbon pollution reduction scheme and express our concern at the failure of the opposition to support the Bill.

We therefore ask the House to call on the members of the Liberal Party and the National Party and the Independents to support the Government's *Carbon Pollution Reduction Scheme Bill 2009*.
