Dear Secretary

I refer to the Public Works Inquiry being held into the redevelopment of the Australian Institute of Police Management (AIPM) North Head, Manly NSW.

I would like to provide this letter as a message of support for the redevelopment to go ahead as the AIPM provides a valuable contribution to the professionalisation of national policing across all state and territory police agencies, including the Australian Federal Police.

In the current national policing environment, the AIPM provides a significant contribution to value adding future police leaders not only in Australasia but across the south west Pacific region.

The redevelopment, of which I have been involved with in my capacity as co-chair of the Board of Management of the AIPM, is important in enabling the programs to continue and improve professional standards in policing.

I fully support the redevelopment of the site and would appreciate my views being tabled before your public works inquiry.

Yours Sincerely,

**Christine Nixon APM**  
**Chief Commissioner**
