## Foreward

In accordance with the *Public Works Committee Act 1969*, this report presents the views of the Committee on four of the proposed public works referred to it in March and June 2008. The works considered in this report are as follows:

- The Department of Education, Employment and Workplace Relations proposed Fit-Out of New Leased Premises at Block 9, Section 31, Canberra, ACT (valued at \$66m);
- The Department of Foreign Affairs and Trade proposal for the Construction of the Australian Pavilion at the Shanghai World Expo 2010 (valued at \$49.38m);
- The National Capital Authority proposal for the Bridging of Kings Avenue over Parkes Way at the Russell Roundabout, Canberra, ACT (valued at \$26.6m); and
- The Department of Defence proposal for the construction of New Warehousing Facilities at Wadsworth Barracks, East Bandiana, Victoria (valued at \$36.37m).

The Committee examined each proposal in respect of its need, cost, scope, purpose and value for money, and in each case, concluded that it was expedient for the works to be carried out.

I would like to thank all Members of the Committee who gave of their time in examining the broad range of issues during the course of these inquiries.
