janet holmes, re radio inquiry i would like to see country radio stations be returned to their own identity, and not from sydney. prior to january 2000 there was country & western programmes from 6pm to 6am. sydney has a choice of radio stations which they can tune into, here we only have the a.b.c & 2tm tamworth which as ive stated comes from 2sm i will be interested in the inquiry outcome

your sincerly
