As a Lone father of one child, and fighting for my other three children in the family court (Melb). I personally find it harder for a man to fight for his children, Than a woman. The men are being fairly untreated in this matter, while I have access too my other three children, that's the only time they see there grandmother (mother-in-law), I would love sit down with one of you, and discuss it, because I'm going through it and I'll be able to give you plenty of insite, in what is fair and not fair. I hope I do hear from you. Thank you-----JOHN
