Hello,

My name is Darlene Allen. For the past two years my husband and I have been involved with the Queensland Federal Magistrates Court in relation to access to our three grandchildren, this process is due for finalisation next week. I would like very much to have an impute into this inquiry from a grandparents point of view. I am prepared to travel to where ever this inquiry is held at my own expense to be heard and what options I hold as to the breakdown of the current court system and how it is not only failing the grandparents but also the children

Yours sincerely
