Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

So important. We have been married 50 years
in 2009. I will care for my husband for as
long as I can

I face the following problems ...

Living a long way from a major hospital.
We do have a wonderful clinic where the
staff do everything to keep us well.

I need help with ...

Accommodation when going to Katherine
or Darwin for medical reasons.

I think the Government can better help Carers by ...

Giving them as much financial help as possible
because it would cost the Government
much more to care for sick spouses.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.
