Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Socially isolating
Far too much for one person to do alone

I face the following problems ...

Co-ordinating respite for my three
charges impossible all at the same time

I need help with ...

In home assistance designed to our
individual needs

I think the Government can better help Carers by ...

Assessing individual carers' ^{needs} when they fit
outside the normal situation, to see
what suits their case for promoting the carer
sustainability of their role.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
