Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

*Undervalued and unappreciated. Possible tax support
for families acting as carers*

I face the following problems ...

*Financial support of Disabled children when
they leave school*

I need help with ...

*Educational Support - more facilities outside
of mainstream schooling*

I think the Government can better help Carers by ...

more housing for disabled

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
