I wish to make a submission to the Committee.

I am utterly opposed to uranium mining, processing, reprocessing, storage and stockpiling of uranium or spent uranium fuel in Western Australia, in Australia or anywhere else on this planet or in space.

I am utterly opposed to the nuclear industry in Western Australia, Australia or anywhere else on this planet and its uses whether for power generation, medicine, military use or whatever use it may be considered for.

I am opposed to the mining of uranium in Western Australia, Australia, or anywhere on this planet therefore in the first instance.

I am opposed to the dumping of radioactive waste in Western Australia, Australia or anywhere else on this planet.

Should you require any more information as to my reasons for this opposition you can contact me at this address.
