Joint Standing Committee on Public Works

CANBERRA ACT 2600

Dear Ms Moylan

SUPPLEMENTARY SUBMISSION - NATIONAL TOWERS PROGRAM (Stage 1)

I am writing in relation to the Public Works Committee's consideration of Airservices Australia's National Towers Program (Stage 1), in particular in response to the submission by Mr Eustance Phillips.

Airservices Australia notes the issues raised by Mr Phillips and while ready to cooperate with a whole of Government ATC tower refurbishment/replacement project will continue with Stage 1 initially without anticipating a joint program. In the longer term a joint program would be consistent with the Airservices/RAAF Integrated Operating Concept which aims for the development of a single domestic air traffic management capability.

Yours sincerely
