The Secretary
Public Works Committee
Parliament House
CANBERRA ACT 2600

Dear Sir/Madam

**PUBLIC WORKS INQUIRY
RELOCATION OF RAAF COLLEGE: RAAF BASE EAST SALE, VICTORIA**

1. I wish to support the planned extension to the East Sale RAAF base. For many years the East Sale base has been a welcome and valuable asset to our beautiful district. The local community support of the maintaining and hopefully, extending, the base is evident by the interest people are showing. Our area has always been proud of the East Sale base and the aerobatic team stationed there. Friends and relations of ours have worked there over the years and we have been proud to have felt part of it. The economy of the district has been significantly influenced positively by the existence of the staff at the base.
2. Please seriously consider maintaining the existing services and the expansion of the base by relocating the Officer Training College to Sale.

Yours faithfully,
Ross Noble
