Ms Janet Holmes
Committee Secretary
House Communications Committee
Parliament House
CANBERRA ACT 2600

Dear Ms Holmes

I refer to your letter of 25 September 2000 advising of the House Communications Committee inquiry into the adequacy of radio services in non-metropolitan Australia.

Council has not received any complaints regarding the inadequacy of radio services or the quality and programming of radio services. However, I note that the inquiry has been well publicised and I assume that anyone in the Gosford City local government area wishing to make a submission would do so direct to your Committee.

Thank you for the invitation to comment on this issue.

Yours sincerely
