

To whom it may concern,

I think that it is great that child care workers are finally being acknowledged for the work that they do. What I would like to know is who is looking after the staff of Family Day Care. We are required to have a diploma qualification or above and follow the exact regulations and standards but where is our payrise?? Where is our recognition for the hard work and the contribution we make to families and children? I really hope that the Family Day Care award can be considered in the Early Years Fund.

Hoping we are not forgotten,
