Dear Sir/Madam,

As Grandparents of five beautiful granddaughters from two separate sons marriages.

We are no strangers to the heartache of no Personal Visits, Phone contact, Letters etc....

As both daughter-in-laws have taken the law into their own hands and have denied us any Grandparent rights.

We DO NOT interfere for the sake of our Sons who do get some contact one son in particular is fortunate the other well she does nothing the Family Law Court instructs her to do.

We detest the way this woman uses the girls for her own gains. She mentally abuses them, the family law court knows this.

The Fathers have contacted the Family Law Court, The Grandparents have contacted the Family Law Court, the Principal of one of the sons children have contacted the Family Law Court for WHAT no reply comes they don't seem to want to KNOW.

SO WE HAVE RESORTED TO HAVING GRANDAUGHTERS IN BOXES (Presents we send for Birthdays, Holidays, Christmas Etc) with no replies.

The following Prayer is all we have to console us. 5 grandchildren **NO GRANDCHILDREN.**

Daily Prayer

Heavenly Father I pray for our grand daughters Madeleine, Amelia, and Jasmine so that they may know peace and stability within their lives, free them from the criticism, deceits, lies, and mental abuse they are suffering.

Pray that one day they may find love, compassion and understanding without the mental abuse, with their father and extended family.

Pray for their mother who sees no wrong in what she is doing to her three beautiful children. Show her your love Father; help her to see that what she is doing is not your will.

Pray for the staff of DOCS and the Family Law Court that they be guided by the many requests to intervene in this family situation and bring peace and understanding to our innocent Grand daughters.

Pray for all children who are caught up in their parent's arguments that they may grow to experience love. Yes father your love.

In Jesus name we pray.
