Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and youth's Inquiry into better Support for Carers.

I feel my role is to state here that I cannot believe you are not aware of all the issues faced by Carers in Australia and are again having yet another inquiry. I think I have one solution for you. It will go along way into solving the problem of future carers

Attached is my job description for my role.

I am looking for a replacement as I wish to apply for the \$80,000 job dressing Kevin Rudd.

Thank you for taking my views into consideration as part of the Committees inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

John
