**Submission No. 882**  
(Inq into better support for carers)

**To:** Committee, FCHY (REPS)  
**Subject:** cARER'S ENQUIRY

I have only one suggestion at the moment to make. New carer's find it very difficult to find out what services are available. It would make sense to have a state directory of support/care services available. It could be distributed to libraries and service providers with copies available for carer's. There are a lot of services out there but it can be difficult finding them.

Kind regards

Louise  
caring for son with ADHD/ODD/Dyslexia  
and possibly Aspergers.
