

SUBMISSION No. 131

To the Secretary of the Committee

Dear Sir/Madam

I have experienced cyber-bullying it is not a very nice feeling. I am 13 years old almost 14. I am also female. I haven't also been the best student or the skinniest or prettiest girl out there but that is why I have been bullied. I have had my father pass away 2 years ago and a very sick mother; I have also been bullied about this. I am strongly against bullying and it needs to be put to an end! It doesn't need to go to the extent of deleting all the social sites like Facebook and MySpace but it needs better rules for example stopping swearing on these sites should be stopped. I hope this email has helped you a little bit.

Thank you
