**List of proscribed terrorist organisations in
Australia, USA, United Kingdom, Canada, European Union and the United Nations**

as at 1 February 2007

Australia¹	United Kingdom²	United States³	Canada⁴	European Union⁵	United Nations Security Council Resolution 1267⁶	Australia – Consolidated List – UN and Minister for Foreign Affairs⁷

¹ Listed under *Criminal Code Act 1995*

² Listed under *Terrorism Act 2000* UK and *Terrorism Act 2006* UK

³ Foreign Terrorist Organisations (FTOs) under section 219 of *Immigration and Nationality Act (INA)*, as amended

⁴ *Anti-Terrorism Act 2001* (Canada)

⁵ *Council of Common Position 2006/1011/CFSP of 21 December 2006*

⁶ Consolidated List of Individuals and Entities belonging to or associated with the Taliban and Al-Qaida organisations as established and maintained by the UN1267 Committee – updated as at November 2006

⁷ Consolidated List maintained by the Department of Foreign Affairs (DFAT) which adopts the UN1267 Resolution Consolidated List through the *Charter of the United Nations (Terrorism and Dealing with Assets) Regulations 2002* (2002 Regulations) and the UNSC Resolution 1373 (UNSCR 1373) through Part 4 of the *Charter of the United Nations Act 1945* (UN Charter Act). UNSCR 1373 was passed by the UN on 28 September 2001 and imposed obligations on UN Member States to suppress terrorism. Sub-paragraph 1(c) of Resolution 1373 obliges Member States to:

‘Freeze without delay funds and other financial assets or economic resources of persons who commit, or attempt to commit, terrorist acts or participate in or facilitate the commission of terrorist acts; of entities owned or controlled directly or indirectly by such persons; and of persons and entities acting on behalf of, or at the direction of such persons and entities, including funds derived or generated from property owned or controlled directly or indirectly by such persons and associated persons and entities.’

Unlike the UN1267 process, the UN Security Council does not have a centralised list of persons and entities to which UNSCR 1373 applies and has left Member States to determine for themselves who such persons and entities are. The Minister for Foreign Affairs may list a person or entity on a case-by-case basis if he is satisfied that they are associated with terrorism as described in subparagraph 1(c) of UNSCR 1373.
