

THE COUNCIL FOR REGIONAL DEVELOPMENT NT

‘CHARTER FOR TERRITORY DEVELOPMENT’

- Mission Statement:** We are committed to regional economic development by facilitating sustainable economic growth equally throughout all regions of the Northern Territory.
- Our Strategic Goal:** Through the Regional Economic Development Committees, provide an overview and a range of strategies for enhanced and sustainable economic development opportunities within the Northern Territory.
- Objectives:**
- > Within each region, assess the resources, strengths, weaknesses and identify and determine opportunities for long term sustainable economic development.
 - > Promote the development and implementation of compatible communications infrastructure within the Northern Territory to maximise regional development opportunities.
 - > Enhance the co-ordination of government and non-government activities as related to possible development partnerships within regions.
- Key Focus Areas** The Council for Regional Development NT is committed to the following areas:
- . As the peak representative body provide advice to the Minister for Regional Development, and the Government, on regional development issues in the Northern Territory.
 - . Identifying industry gaps and promoting investment opportunities.
 - . Helping new and existing businesses grow within the regions.
 - . Identifying constraints to new and existing businesses within the regions.
 - . Determining all project applications to access the Northern Territory Government’s Regional Development Discretionary fund.
