The Hon Judi Moylan MP
Chair
Parliamentary Standing Committee on Public Works
Parliament House
CANBERRA ACT 2600

Dear Ms Moylan

SUBMISSION 2

Thank you for your letter of 3rd April advising me of the Committees enquiry into the proposed new leased premises for the Australian Customs Service at No. 1 Airport Drive.

I currently have no issues with the proposal.

I would however point out the ongoing strain on the road network in the local area. This is particularly evident at the Nudgee Road/East-West Arterial intersection and at the Airport Drive/Gateway Motorway roundabout. Both intersections require substantial and extensive works in order to increase capacity and improve travel times.

Clearly the State Government must act to improve these parts of the road network to enhance access not only to those proposing air travel but to the Airport precinct as a whole.

Thank you for the opportunity to comment.

Yours sincerely
