Dear Sir,

Re: Relocation of RAAF College - RAAF Base East Sale, Victoria

I wish to place on record our support for the above relocation. The basis of the submission is primarily the vital link between the RAAF and the local community and community organizations such as ourselves. Over many years both of our organizations have worked in close harmony, to the credit of RAAF personnel they have shown outstanding qualities in their willingness to participate in local community events.

Similarly our organisation offers personnel and families relocating opportunities to integrate and enjoy facilities and leisure activities. We are proud to have the East Sale RAAF base located at Sale and offer our full support for the relocation of the RAAF College to Sale. If you require any further information please do not hesitate to contact me.

Yours truly,

Mrs Thelma Coster
