The Secretary
Parliamentary Standing Committee on Public Works
Parliament House
CANBERRA ACT 2600

Dear Ms Courto,

**SITE REMEDIATION AND CONSTRUCTION OF INFRASTRUCTURE FOR THE
DEFENCE SITE AT RANDWICK BARRACKS, SYDNEY, NSW**

Thankyou for providing Randwick City Council the opportunity to make a supplementary submission to the Parliamentary Standing Committee on Public Works.

Randwick City Council have an interest in the proposed works as the consent authority for the construction works and as a part of its responsibilities to represent various community groups. Furthermore there are a number of commitments the Department of Defence has made to Randwick Council and its residents during the master planning process for the site and in its Master Plan application. It is the expectation of the community and Council that these commitments are realised.

This supplementary submission should be read in conjunction with Council's March 2003 written submission and is attached for the Committee's consideration and assistance. It is Council's intention to make a verbal presentation to the Parliamentary Works Committee on 12 March 2004.

Council and the local community look forward to the successful conclusion of this exciting project. Should you require any further information regarding this matter please contact Tony Watson, Team Leader Strategic Planning on (02) 9399 0957 or Sima Truuvert, Director Planning and Community Development on (02) 9399 0891

Yours faithfully,

Gordon Messiter,
GENERAL MANAGER
