

Attention: Mr Graham Perrett
Committee Chairman
Parliamentary Committee.

Dear Sir,

This last few days, since last Wednesday in fact, I have had to attend a number of meetings here in Papua New Guinea.

Unfortunately, the Internet here has been 'down' since last Friday, and has just been restored an hour ago. It sounds ridiculous, I know, but that's the nature of things in PNG.

Consequently, and since I cannot send a letter to you, I would like to submit this 'email' expressing my concern at the tremendous increase in cost of our building insurance, [REDACTED] ding, Cairns, Queensland 4878.

In light of the above circumstances, I sincerely hope that this submission will be accepted by your goodself despite missing yesterday's deadline.

Your sincerely,
Alban Scotland.
