Office of Urban Management MLNBSA Study Report

6.3 Economic Activity and Employment

This is in addition to the 2700 hectares already designated in the SEQ Regional Plan for further investigation at the Bromelton industrial area and complements the existing industrial centres just outside the MLNBSA at Crestmead, Yatala, Carole Park, Heathwood and those proposed at Berrinba, Swanbank and Evezezer.

The planning study considered other areas just outside the MLNBSA such as the Greenbank Military Camp for an enterprise precinct, however, that particular establishment is an important training area for the Australian Defence Force and there is no intention by the Federal Government to dispose of the land.
