Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

24-7. looking after my husband

I face the following problems ...

Finding and booking respite when I need it. What about if I have to go in hospital at short notice eg. accident

I need help with ...

Cleaning, Gardening

I think the Government can better help Carers by ...

more respite per year and respite places.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
