ATSE President and Privacy Commissioner to speak at ThinkFuture 2010 Smart Infrastructure Conference

Australia's Privacy Commissioner, Karen Curtis and Robin Batterham, President of the Australian Academy of Technological Sciences and Engineering will be keynote speakers at the ThinkFuture 2010 Smart Infrastructure Conference in March.

A complete conference program will be made available after registration for the Conference closes on February 12th.

Interest in the conference has been strong and arrangements for participation in the conference program (including speakers and workshop panellists) is being finalised. If you wish to be involved, please provide a brief description of the anticipated content of your presentation on the registration form. The secretariat may contact you to discuss your proposed contribution.
