

This was a hand written submission by Mr Romain and has been transcribed by the secretariat.

Mr Scott Romain
Lot 31 Tara Downs
Lennox Head NSW 2478

To The Joint Standing Committee on Treaties

I am writing to you in that I strongly oppose the World Trade Organization operating her in Australia. Their decision making does not involve the people. Shutting down our human rights within freedom of speech in a supposedly Democratic Society.

Their push towards Globalization is a classic example of how environmentally and economically unaware they really are.

In concern

Scott Romain
