

SUBMISSION TO MULTICULTURAL INQUIRY

Multiculturalism is a failed policy and should be terminated. This has been said by Angela Merkel, David Cameron, Nicolas Sarkozy and former Labor Senator Barry Cohen, among others. In particular, muslim immigration should be stopped. Islam is an aggressive, intolerant and expansive religion. In the home of islam, Saudi Arabia, there are no christian churches because they are not allowed. There were Jews and Christians all over the arabian peninsula before mohammed came along, now there are none, because the muslims killed them or forced them to convert.

Here are some quotes from the Quarn that show what muslims believe:

Quran 4:89: "They (infidels) desire that you should disbelieve as they have disbelieved, so that you might be (all) alike; therefore take not from among them friends until they fly (their homes) in Allah's way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper."

Quran 8:12: "Instill terror into the hearts of the unbelievers;"

Quran 2:191: "... kill the disbelievers wherever we find them ..."

Tabari IX:113: "Allah permits you to shut them (women) in separate rooms and to beat them, but not severely. If they abstain, they have the right to food and clothing. Treat women well for they are like domestic animals and they possess nothing themselves. Allah has made the enjoyment of their bodies lawful in his Quran."

Quran 22:19-22: "... for them (the unbelievers) garments of fire shall be cut and there shall be poured over their heads boiling water whereby whatever is in their bowels and skin shall be dissolved and they will be punished with hooked iron rods."

Quran 8:7: "Allah wished to confirm the truth by His words: 'Wipe the infidels out to the last.'"

Quran 8:59: "The infidels should not think that they can get away from us. Prepare against them whatever arms and weaponry you can muster so that you may terrorise them. They are your enemy and Allah's enemy."

Quran 9:29: "Fight those who do not believe in Allah, nor in the latter day, nor do they prohibit what Allah and His Apostle have prohibited, nor follow the religion of truth, out of those who have been given the Book, until they pay the tax in acknowledgment of superiority and they are in a state of subjection."

Quran 47:4: "Strike off the heads of the disbelievers" and, after making a "wide slaughter among them, carefully tie up the remaining

captives".

Hadith Sahih Muslim (41:6985): "Abu Huraira reported Allah's Messenger (may peace be upon him) as saying: 'The last hour would not come unless the Muslims will fight against the Jews and the Muslims would kill them until the Jews would hide themselves behind a stone or a tree and a stone or a tree would say: Muslim, the servant of Allah, there is a Jew behind me; come and kill him; but the tree Gharqad would not say, for it is the tree of the Jews.'"

Quran 9:5: "When the sacred forbidden months for fighting are past, fight and kill the disbelievers wherever you find them, take them captive, torture them, and lie in wait and ambush them using every stratagem of war."

Sura 3:151: "Soon shall We cast terror into the hearts of the unbelievers for that they joined companions with Allah for which He had sent no authority: their abode will be the fire; and evil is the home of the wrong-doers!"

Ishaq:327: "Allah said, 'A prophet must slaughter before collecting captives. A slaughtered enemy is driven from the land. Muhammad, you craved the desires of this world, its goods and the ransom captives would bring. But Allah desires killing them to manifest the religion.'"

The consequences of bringing people into the country who think like this are obvious.

The revenge attacks after the Cronulla barbecue of December 11, 2005 when carloads of 200 Lebanese muslims rampaged through the Shire bashing and stabbing and shooting at people and destroying property after congregating outside the Lakemba mosque and sending round text messages like "We will take Sydney from Cronulla to The Rocks/With our AK's and our Glocks" was another demonstration that multiculturalism doesn't work.

We should also stop allowing Pacific Islanders in. People of "pacific islander" appearance or of "middle eastern" appearance are disproportionately represented in the reporting of the perpetration of violent crime. The ideal and deserving refugees and migrants we should be bringing in are white South Africans and Rhodesians who are keen to leave their countries. There are actually white South Africans living in squatter camps in South Africa at the moment. These would be a much better prospect as refugees or migrants than pacific islanders or "people of :middle eastern appearance." I have yet to hear a description of a crime committed which said "An armed holdup was carried out at the local bottle shop today by a gang of machete-wielding tall, blond haired, blue eyed young men with heavy South African accents"!
