Response to: Lake War Memorials Forum

Dear Sir

Thank you for the opportunity to respond to the above inquiry:
I do support the submission of the Lake War Memorials Forum.

- I wish also to add my personal response that the vista across the lake from the War Memorial at the foot of Mt Ainslie, toward Parliament House on Capitol Hill and its reciprocal view be treasured and protected for all time
- The vista across the lake is unique in the world and also recognised throughout the world.
- The vista links the history of our nation's peoples over countless thousands of years to present day.
