To Whom it May Concern,

After a recent article in the Daily Mercury on Friday the 13th January 2011, I submit my submission into unit strata insurance affordability.

I purchased my [REDACTED] unit in 1996 and the Body Corporate then was under \$1000.00 per year. It is now over \$6000.00 per year. Our complex [REDACTED] is managed by [REDACTED]

Thank you for your time.

Regards,

Aileen Cole
